

# COVER

## A New Financing Program from CSM

Cambridge Sound Management is pleased to introduce COVER, a new sound masking financing program for our Partners and End Users.

The COVER financing program is available to all CSM partners, and is managed by Advantage+. Partner benefits include:

- ✓ No longer lose deals due to lack of End User budget
- ✓ Get paid 100% upon installation, so there is no credit risk.
- ✓ Apply only once for the program approval, then submit End User applications for each client wishing to make payments monthly.
- ✓ No paperwork. Advantage Leasing takes care of the all the paperwork, completing their underwriting in usually one day.

Check out our website at [csmqt.com/financing-program](http://csmqt.com/financing-program) for links to application forms, as well as our new tool: the Financing Calculator
