

Question:

As a CSM partner, do I need to fill out a partner application for every project that requires financing through the COVER program?

Answer:

No. The CSM partner is only required to fill out a partner application once. Then, for every project thereafter, the end customer application is the only requirement

Question:

As a CSM partner, when do I receive the payment for a project?

Answer:

Upon installation of the project at 100% (so there is no credit risk)

Question:

As an end customer, can I finance more than the CSM sound masking parts and labor involved in a project? For example if I am getting a new AV system for my conference room along with sound masking, will I be able to finance everything through Advantage+, or just the CSM sound masking related items and labor?

Answer:

Yes, any and all other equipment associated with a CSM sound masking project or installation can be financed through the COVER program.

Question:

How long are the finance terms?

Answer:

From 24 – 60 months

Question:

How long does it take to get a decision regarding the finance approval?

Answer:

Within 24 – 48 hours

Question:

Is there a prepayment penalty?

Answer:

No, there is no prepayment penalty

Question:

Who will take care of all the paperwork for both the CSM partner and the end customer?

Answer:

Advantage+ will take care of all the paperwork, underwriting and approvals

Question:

Where is this financing program available?

Answer:

Anywhere nationwide

Question:

During my financing process, if I have questions who should I contact?

Answer:

Please contact Deanne Schneider with Advantage. She can be reached via:
