

# Qt<sup>®</sup> 300 Demo Kit

The Qt 300 Demo Kit enables you to quickly and effectively demonstrate the QtPro sound masking system to prospective customers. This kit showcases both the Qt Emitter and Qt Active Emitter and also allows masking, paging, and background music to be demonstrated.

## The Demo Kit Includes:

- A Qt 300 Control Module
- B Qt Emitters and Qt Active Emitters (2 each)
- C Contact Closure Switch
- D Qt Room Control
- E Power Supply Cable
- F USB Power Adapter
- G 1/8" Stereo Input
- H USB Drive (with sample files)
- I Emitter Caps

### Not shown:

- Power Injector
- Ethernet Router Cable
- CAT-5 Cables
- 1/8" Stereo Cable

## About Cambridge Sound Management

Cambridge Sound Management, Inc., the world's largest provider of sound masking solutions, manufactures QtPro and DynasoundPro sound masking systems to help organizations across multiple industries protect speech privacy, reduce noise distractions, and increase workplace productivity. Cambridge Sound Management's proprietary sound masking technology works by emitting a uniform, barely perceptible background sound at the frequencies of human speech. Cost-effective and easy to install, their sound masking, office paging, and background music systems are deployed in hundreds of millions of square feet of space throughout the world including commercial organizations, healthcare facilities, financial services, government agencies, and educational institutions. Cambridge Sound Management is a Biamp Systems company.
